Dear Doctor

Your enclosed patient contacted us on a private basis and has requested private therapy for the listed problem/s.

They have given the medical details that are in the enclosed 'Prescribers Information' sheet, and one of our company Prescribers has prescribed the medication listed, based on the information they have supplied.

The patient has been given all the necessary information to accompany the prescribed medication, and has been informed that this letter should be given to their GP, and that they should not take the therapy without informing you. If the information that the patient has given to your knowledge is incorrect, or you feel the patient is unsuitable for the therapy, then we would be grateful if you would inform us at the above address immediately. **Otherwise, this is letter is simply for your records and no further action is required from you.**

We thank you for your co-operation in this matter.

Kind regards

Medical Specialists
